

CYBER STUDENTS CAN ...

- Access online learning platforms 24 hours a day, 7 days a week from the comfort of home.
- Work at your own pace. Some students graduate with their diploma early.
- Participate in district events, sports and clubs.
- Challenge yourself by enrolling in Advanced Placement and career and technical education course.
- Work with certified district teachers who provide support when needed through phone and e-mail. Teachers also provide in-person support in our computer labs.
- Become an independent learner, Cyber students develop time management and technology skills that are critical for future success.

CONSIDERING CYBER?

ERIE'S
PUBLIC SCHOOLS
HAS YOU COVERED.

ERIE'S PUBLIC SCHOOLS K-12 CYBER CHOICE ACADEMY.

Are you thinking about making the switch from a traditional classroom to cyber education? Our cyber program allows students K-12 to succeed at their own pace with the support and expert guidance you've come to expect from Erie's Public Schools.

"Every student learns differently and I like to read and research by myself. I'm able to call my teachers when I'm struggling and they walk me through the lesson. I can be in control of my education and it has given me a better attitude."
- Yarinel Hernandez, 7th grade

"I want to graduate early, and this gives me the motivation to do so! I can work at my own pace, whether it's 10 hours in one day, or 5 another."
- Breanna Johnson, 11th grade

There are many reasons why some students need or want to work from the comfort of home. For those students, a personalized path to educational success begins at Erie's Public Schools' Cyber Choice Academy.

FLEXIBILITY AT YOUR FINGERTIPS.
