My Amplify Home Page:
Once you have successfully logged into the **Clever Portal**, click on the **Amplify** icon under the **More apps** section. This link will open the **My Amplify** home page.

mCLASS Reporting:
From the **My Amplify** home page:

1. Click on the **mCLASS Reporting** link.
2. From the **mCLASS** page that appears, click on the teal **mCLASS Amplify Reading Edition** tile.
3. From the upper right-hand corner of the menu bar, click on the **Intervention** link.

| **mCLASS Intervention:**
From the **mCLASS Intervention** page that appears, click on the **View Boost Dashboard** link. | |

Boost Teacher Dashboard:

From the **Boost Teacher Dashboard**:

1. Click on the **Print QR Codes** icon from th eupper left-hand corner of the menu bar.

2. When a new window appears containing the QR codes and names of your students, click **Print This Page**.

Logging into Amplify Boost

To log into the **Amplify Boost** application on the iPad:

1. Locate the **Amplify Boost** application from your iPad's home screen.
2. Tap on the **Boost** icon to launch the application.
3. Once the **Amplify Boost** application opens, point the iPad towards the student QR code.

Once the application recognizes the **student QR code**, the student will automatically be logged into the **Amplify Boost** application.

**Enabling the Camera for the Amplify Boost Application:**
If the **Enable Camera Access for Boost in the Settings App to use the QR Code Login** message appears when you open the **Amplify Boost** application on your iPad:

1. Press the **Home** button on your iPad.
2. From the Home screen, tap on the **Settings** ⚙ icon to launch the application.
3. Tap on the **Privacy** ✋ icon on the left-hand side of the menu bar.
4. From the **Privacy** menu, tap on **Camera**.

A list of the applications that have requested access to the iPad camera will appear.

5. Tap on the slide bar to the right of **Boost** to turn on access to the camera (the slide bar will appear green when access is turned on).

6. Press the **Home** button to close the **Settings** application**.**

IT Support:
If you cannot access **Amplify Boost** using the above steps, please send a support request to epssupport@eriesd.org.
