

Schedule Information

Schedules will be available on August 22, 2025, at 3:00 p.m., through Infinite Campus.

We realize this can be a stressful time, and you will want to rectify the issue ASAP.

Important points:

1. Each student selected classes last spring. Final schedules reflect students' first choice or alternate choices. Ultimately, students and parents signed off on these final choices.
2. **Do not call the office to speak with a counselor.** Schedule changes are made with the student after a schedule change form has been submitted. Schedule change forms are available in the main office.
3. Changes may only be made if we made a mistake and you were placed into a course that was not requested.
4. If there is a blank or empty period in your schedule, report to the guidance department during that empty period.
5. ***Considering the above, if you would like to speak with a guidance counselor, please pick up a schedule change form from the main office. A guidance counselor will send a pass based on urgency and timing.***
6. Schedules are first available on Infinite Campus (IC). If you do not have an account (most new students to Erie's Public Schools will not have access yet), your schedule will be printed and available in your Homeroom on the first day of school.
