I Choose Peace

#STRUM CHORDS BOTH TIMES, OPTIONIAL

I Choose Peace

Peace is more than just a word. Peace is more than just a sentiment. Peace is something that you do. Peace is something you pursue.

It's intentional. It's a sacrifice. It means give and take. It means compromise.

Peace peace. I choose peace. Peace peace. I choose peace.

(guitar plays verse 2)

It's intentional. It's a sacrifice. It means give and take. It means compromise.

Peace peace. I choose peace. Peace peace. I choose peace.

I choose peace.
